| RENOVATION – (PLUMBING) |) | |
| _____ |) | |

This matter is before the Chief Procurement Officer for Construction (CPOC) pursuant to a request from the University of South Carolina (USC) to cancel award of a contract to Franklin D. Services (FDS) for the plumbing portion of the Coker 7th Floor Pharmacy Renovation (the Project) because of administrative error. [Ex. A]

CPOC FINDINGS

Pursuant to S.C. Code Ann. § 11-35-3030(2), the state is mandated to require Contractors awarded contracts exceeding \$50,000 to provide both performance and payment bonds each in the amount of 100% of the contract amount. In addition, S.C. Code Ann. 29-6-250 provides that on such contracts, the state shall require a payment bond in the amount of 100% of the contract price. Prior to bidding this project, USC estimated the bids would exceed \$50,000. While the South Carolina Business Opportunities (SCBO) advertisement for project advised bidders that the successful bidder would be required to provide performance and payment bonds, the form SE-310, Request for Advertisement included within the

bid package did not include this requirement. FDS did not see the SCBO advertisement before bidding and relied on the version of the advertisement included in the bid package in deciding to bid the project. FDR's bonding capacity is limited to projects not exceeding \$50,000. FDR bid for the project was in the amount of \$92,500, therefore, FDR lacks the ability to provide a performance and payment bond on this project rendering FDR a nonresponsible bidder on this project. USC may only make an award to a responsible bidder. S.C. Code Ann. §§ 11-35-3020(c)(i) and 11-35-1810.

DETERMINATION

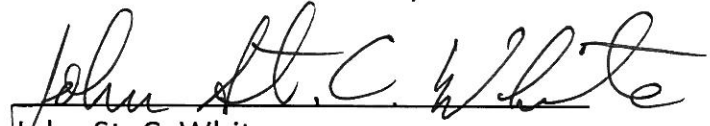

CANCELLATION OF AWARD PRIOR TO PERFORMANCE

The S.C. Code Ann. § 11-35-1520(7) authorizes the cancellation of awards or contracts after award but before performance in accordance with regulations promulgated by the Board. Regulation 19-445.2085(C) allows the cancellation of an award prior to performance only upon written determination of the chief procurement officer that cancellation is warranted in accordance with the provisions set forth therein. One such provision is a determination that there was administrative error on the part of the purchasing agency in making the award and that such error was discovered prior to performance.

While the authority to cancel awards and solicitations should be exercised carefully and sparingly, cancellation is warranted where, as here, the award was not made to the lowest responsive and responsible bidder. Because FDS was not the lowest responsible bidder, it was administrative error for USC to offer a contract to FDS for construction services.

Moreover, this error was discovered before performance by FDS.

For the foregoing reason, USC's Notice of Award to FDS is hereby cancelled.

Mr. John White –

We had the bid opening for Coker 7th Floor Pharmacy Renovation (Plumbing) on October 10, 2013 at 2pm, the apparent low bidder Franklin D Services is requesting to withdraw their bid due to the fact they are not able to provide performance and payment bonds for this project, which exceeds \$50,000. The project was advertised in SCBO and stated that Payment and Performance Bonds were required; however the SE-310 included in the project manual did not have the box checked for the bonding section. Also, when the University posted the NOIA to Franklin D. Plumbing, the wrong bid amount was inserted on the SE-370.

Due to these errors made in the solicitation, we feel it would be best to simply rebid the entire project. Unfortunately, there is not enough funding in the budget to move forward with the next lowest bidder. Therefore, we are requesting to cancel the notice of intent to award and rebid the project.

Please see attached documentation.

If you should have any questions, please let me know.

Bidder shall use the below-listed Subcontractors in the performance of the Subcontractor Specialty work listed:

If a Bid Alternate is accepted, Subcontractors listed for the Bid Alternate shall be used for the work of both the Alternate and the Base Bid work.

INSTRUCTIONS FOR SUBCONTRACTOR LISTING

1. Section 7 of the Bid Form sets forth a list of subcontractor specialties for which bidder is required to identify by name the subcontractor(s) Bidder will use to perform the work of each listed specialty. Bidder must identify only the subcontractor(s) who will perform the work and no others.
2. For purposes of subcontractor listing, a Subcontractor is an entity who will perform work or render service to the prime contractor to or about the construction site. Material suppliers, manufacturers, and fabricators that will not perform physical work at the site of the project but will only supply materials or equipment to the bidder or proposed subcontractor(s) are not subcontractors and Bidder should not insert their names in the spaces provided on the bid form. Likewise, Bidder should not insert the names of sub-subcontractors in the spaces provided on the bid form but only the names of those entities with which bidder will contract directly.
3. Bidder must only insert the names of subcontractors who are qualified to perform the work of the listed specialties as specified in the Bidding Documents and South Carolina Licensing Laws.
4. If under the terms of the Bidding Documents, Bidder is qualified to perform the work of a specialty listed and Bidder does not intend to subcontract such work but to use Bidder's own employees to perform such work, the Bidder must insert its own name in the space provided for that specialty.
5. If Bidder intends to use multiple subcontractors to perform the work of a single specialty listing, Bidder must insert the name of each subcontractor Bidder will use, preferably separating the name of each by the word "and". If Bidder intends to use both his own employees to perform a part of the work of a single specialty listing and to use one or more subcontractors to perform the remaining work for that specialty listing, bidder must insert his own name and the name of each subcontractor, preferably separating the name of each with the word "and".
6. Bidder may not list subcontractors in the alternative nor in a form that may be reasonably construed at the time of bid opening as a listing in the alternative. A listing that requires subsequent explanation to determine whether or not it is a listing in the alternative is non-responsive. If bidder intends to use multiple entities to perform the work for a single specialty listing, bidder must clearly set forth on the bid form such intent. Bidder may accomplish this by simply inserting the word "and" between the name of each entity listed for that specialty. Owner will reject as non-responsive a listing that contains the names of multiple subcontractors separated by a blank space, the word "or", a virgule (that is a /), or any separator that the Owner may reasonably interpret as a listing in the alternative.
7. If Bidder is awarded the contract, bidder must, except with the approval of the owner for good cause shown, use the listed entities to perform the work for which they are listed.
8. If bidder is awarded the contract, bidder will not be allowed to substitute another entity as subcontractor in place of a subcontractor listed in Section 7 of the Bid except for one or more of the reasons allowed by the SC Code of Laws.
9. Bidder's failure to insert a name for each listed specialty subcontractor will render the Bid non-responsive.

LIST OF MANUFACTURERS, MATERIAL SUPPLIERS, AND SUBCONTRACTORS OTHER THAN SUBCONTRACTORS LISTED IN SECTION 7 ABOVE (FOR INFORMATION ONLY): Pursuant to instructions in the Invitation for Bids, if any, Bidder will provide to Owner upon the Owner's request and within 24 hours of such request, a listing of manufacturers, material suppliers, and subcontractors, other than those listed in Section 7 above, that Bidder intends to use on the project. Bidder acknowledges and agrees that this list is provided for purposes of determining responsibility and not pursuant to the subcontractor listing requirements of SC Code Ann § 11-35-3020(b)(i).

§ 9. TIME OF CONTRACT PERFORMANCE AND LIQUIDATED DAMAGES

a. **CONTRACT TIME:** Bidder agrees that the Date of Commencement of the Work shall be established in a Notice to Proceed to be issued by the Owner and Bidder shall substantially complete the Work within 60 calendar days from the Date of Commencement, subject to adjustments as provided in the Contract Documents.

b. **LIQUIDATED DAMAGES:** Bidder further agrees that from the compensation to be paid, the Owner shall retain as Liquidated Damages the sum of \$ 200.00 for each calendar day the actual construction time required to achieve Substantial Completion exceeds the specified or adjusted time for Substantial Completion as provided in the Contract Documents. This sum is intended by the parties as the predetermined measure of compensation for actual damages, not as a penalty for nonperformance.
